The applicant has since agreed to have the areas noted in the last column of the above statement. His statement dated 23-12-52 before the Revenue Inspector is enclosed.

2. The classification of each of the survey numbers is furnished above. The lands are not under the control of the Forest Department. There are no lime stones in them. They do not form a contiguous block, but the blocks are not small and the minerals can be worked properly in the areas. Except S.No.320, the other S.Nos. have not been applied for by any others. Sri.Venkata Reddy had applied for S.No.320 but subsequently withdrew his application. The applicant holds the valid certificate of approval and has produced a certificate of clearance of income tax. I recommend the grant of a prospecting licence to the applicant to prospect for iron and red oxide ores in the said acres.

3. The application, the sketch showing the areas Ch.50 dated 8-7-52, the applicant's statement dated 23-12-52, referred to above and the Income Tax clearance certificate are enclosed.
